

EXCURSION INSTRUCTIONS

Ask everyone to join in the adventure.

Dress according to the weather.

Visit different locations. Select ones with terrain suitable for all participants.

Engage in the child's game. Use your imagination together.

Name the things you see, and talk about them.

Teach the child about everyman's rights and how to respect and care for nature.

Use your senses to become aware of what there is to see, smell, hear and touch.

Read the destination's description out loud. What aspects interest the child and why?

Enjoy investigating together here and now, forget life's hurries.
